Dear Board Members:

Pursuant to R.S. 1120, please be advised that I intend to vote for the renewal of a permit to Yahmya Jacobs, my son. This permit allows him to sell alcoholic beverages within the City of Donaldsonville.

The City Council has some concerns about the renewal of his permit. One concern is that the application for renewal was not filed in a timely manner. The other concern is the perception that I work for and with my son in spite of the fact that I am a full-time mayor of the city.

In terms of the lateness of the application for renewal, the City routinely approves such applications without question. If my son's is not approved, it would be the first in the twelve years that I have been a member of the Council.

And, the fact that I am a full-time mayor does not preclude me from helping my son establish himself as a business man. But for those two reasons he meets all the conditions for the renewal of his permit.

I want to be in a position to vote for the renewal if my vote is needed.

Sincerely,

Raymond Jacobs, Mayor
